

CONCERT MEETS WITH SUCCESS

LADIES OF THE METHODIST CHURCH ARE WELL PLEASED WITH THE SUCCESS OF FIRST MUSICAL OF THE SEASON

One of the best concerts given in Klamath Falls in a long time was that offered last night at Grace M. E. church for the benefit of the Ladies Aid Society of the church. The numbers were all well chosen and given adequate interpretation by the soloists and others.

Besides the Borel orchestra, consisting of Messrs. Borel, Arnold, Fosse and Mrs. Lottie Bailey, there appeared during the evening Iris Turner, Messrs. Crooks, Walton, Kinnear, Upp, W. U. Foster, Dr. Fisher, Mrs. B. F. Gambell, Mrs. William Wagner, Miss Dorothy Masten, Miss Louise Benson and Mrs. Elmer French. Harry Borel appeared in a violin obligato to Mrs. Gambell's solo and Mrs. Lottie Bailey acted as accompanist for the evening. All the items in the program were warmly received, and every appearance had a deserved recall. Not all the numbers could be entered, however, owing to the length of the program.

BIG APPLE IS WON BY PEGGY MILLER

JON BUSH PROBLEM IS SOLVED BY A LOCAL MAN—LOSS OF 1 CENT IN AN APPLE DEAL IS FULLY EXPLAINED

Joe Bush's two old men problem has been solved by Peggy Miller. The problem involved the loss of a cent in the sale of 60 apples, 30 of which were to have been sold at 2 for 1 cent and 30 at 3 for 1 cent, but they were mixed together and sold 5 for 2 cents, thereby entailing the loss of 1 cent. The question was, what became of the cent?

The apple man fooled himself out of 1 cent by not averaging the price right. Selling at two prices:

Thirty apples at 2 for 1 cent equals 1 for 1-3 cent; 30 apples at 3 for 1 cent equals 1 for 1-3 cent; 30 times 1-3c plus 30 times 1-3c equals 36 cents, which gives an average price of 36-60, or 6-12c, or 13 for 5 cents.

Selling at 1 price: 5 for 2c equals 2-5c for 1; 60 times 2-5c equals 24 cents; average price 24-60, or 25c, or 5 for 2 cents.

He should have sold 12 apples for 5 cents, instead of 5 apples for 2 cents.—Peggy Miller.

As a reward for solving this problem, The Herald will give Mr. Miller a large red apple if he will call at the Herald office.

PRISONERS FATHER IS HERE TO DEFEND SON

OAKLAND MAN COMES HERE TO TRY AND SAVE SON FROM PRISON—HE IS INVESTIGATING A RUMOR FROM LOGGING CAMP

Attorney William H. O'Brien is at the White Pelican hotel from his home in Oakland, Calif., having come here to investigate the difficulty into which his son, Willis O'Brien, has fallen. Young O'Brien was employed in a logging camp, and is accused by a fellow worker named Garick of robbing him.

It is understood that the senior O'Brien is investigating a story which was told by some loggers, to the effect that Garick at the time he claims to have been robbed, was intoxicated and spending his money in a house of ill fame in Dorris, the claim being made that he was finally ejected from the place because he had no more money with which to "treat."

The house is said to be the same one in which a man was found dead some days since.
